Re: Customer Service	Cc: Chad Griffiths

Hello Mr. Telford:

I wanted to bring to your attention the excellent customer service I received from your agent, Chad Griffiths, March 27th, 2007.

Bloemhof Inc. is in the process of relocating our manufacturing facilities due to being expropriated by the City of Edmonton, from our current location along Fort Road. We had contacted Chad to tour the former Crown Video Building further down Fort Road as a possible new location. Both Bert Bloemhof, my business partner and I were aware of the building for some time as we were customers of Crown Video and the former owner of the building, Brad Mix is a personal friend.

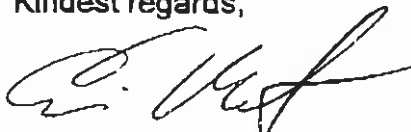

Chad met with us and listened to our needs for office and production space. He readily toured us through the good, the bad and the ugly aspects of the property. He was honest, forthright and patient as we contemplated how it would serve our needs. From our discussions it was clear that the building was unsuitable for our requirements and the building was in very poor condition.

Currently, we are building a new building on Yellowhead Trail but wish to thank your company and especially Chad through this letter. Chad's honesty, pleasant disposition and professional service must be acknowledged.

Please provide him with a copy of this letter and include it in his professional file.

Thank you, Chad Griffiths for your services and we have actively recommended you and NAI to our business contacts.

Kindest regards,

Eric Baumgartner
Vice President
