To Whom It May Concern:

I would like to give a sincere thanks to Mr. Chad Griffiths for his assistance in leasing our new location. He was both courteous and instrumental during the viewing of the unit as well when there was an issue that came up with regards to the zoning of the property. Mr. Griffiths went above and beyond to help resolve this issue by working with the City of Edmonton to resolve the problem and expedite the development permit/business license.

We are very happy with Chad's professionalism and constant communication throughout the whole process. Ultimately we are most impressed with the results that Chad got us.

Boss Security would highly recommend Mr. Griffiths and would certainly work with him again.

Sincerely,

Jason Hyare
