TO WHOM IT MAY CONCERN

We recently hired the "Dynamic Duo", Chad Griffiths and Jim Barkwell, as the exclusive agents to sell our property located in the West 107 Condominium building on 107 Avenue and 181 Street.

Having completed an opinion of value for our two units, we were very impressed with the valuation and overall professionalism of Chad and Jim.

The Dynamic Duo handled all aspects of the transaction, from the marketing of the property to the final negotiations, and ultimately arrived at a sale price that we were very happy with. Chad and Jim displayed a great degree of professionalism throughout our dealings, and the process was quite smooth.

It was a pleasure working with Chad and Jim on the sale of our property, and we would highly recommend them to anyone who is looking for commercial real estate agents.

Sincerely,

M. L. (Midge) Clissold,
Managing Director
Hydrogeological Consultants Ltd.
