

To Whom it May Concern:

We recently commissioned Chad Griffiths to sell our 2.07 acre industrial property in Winterburn. We were very happy with the aggressive marketing that Chad conducted as we had multiple tours from groups that Chad introduced in addition to groups brought from other realtors.

The property was ultimately sold and Chad was very professional as he helped with a difficult negotiation.

We recommend Chad to anyone looking to sell a commercial property in Edmonton.

Best Regards,

Chris Bulger
