To Whom It May Concern:

We recently hired Chad Griffiths of NAI Commercial to sell our commercial property and are extremely pleased with the decision.

Chad prepared a comprehensive marketing plan that broadcasted the property to a number of different outlets. In addition to the marketing, Chad also provided us with regular weekly progress reports that outlined the activity from the previous week. We felt very informed at every stage of the process about potential buyers' comments and how the market looked at the property in general. Chad's advice was always 'spot on'.

We were delighted with the entire process and are thankful to Chad for all his hard work.

Best regards,
