To Whom It May Concern:

I am writing to give Chad Griffiths my highest recommendation. Chad possesses all the attributes necessary to be an excellent broker: he knows his market extremely well; he is diligent, responsive, and very patient with his clients. Chad is both very professional and personable and he clearly takes pride in doing a great job. In my particular case I was selling an office condominium and subsequently wanted to lease a larger office space. Chad listed and sold my property for full list price and found a perfect space to lease.

As we are in constant growth mode being one of Edmonton's finest residential real estate teams, we have again hired Chad as the agent to handle our considerable expansion needs.

Our commitment to continue working with Chad is indicative of our faith in him as a top commercial agent and proof to other companies that he is highly recommended.

Sincerely,

Mark Walker
