Re: Recommendation

We recently hired Ryan Brown and Chad Griffiths to sub-lease 33,000 sq ft of surplus warehouse space and would like to compliment them on a job well done.

They worked quickly to take the property to market, which included professional interior photographs of the interior and aerial drone photography to highlight the exterior.

We were very pleased with their marketing as it produced several tours and ultimately a secured sub-lease on the entire space in a relatively short period of time. They spent countless hours and remained available outside regular working hours to ensure that the needs leaser and lessee were met and were able to guide both parties through the sometimes complicated process of leasing the property to ensure it was compatible for everyone.

We have a whole new appreciation for the work that goes into process and wouldn't hesitate to use them again. I would recommend Ryan and Chad at any opportunity.

Sincerely,

Dean W. Taylor
